We at Chez Teresa in Fontevraud can offer you a Christmas full of charm and 'old world' hospitality. Join us for aperitifs on Christmas Eve. You are then free to enjoy the evening at your leisure around Fontevraud and its delightful locale where there are many gourmand restaurants and special Christmas events and services etc. On Christmas Day there will be a celebration breakfast of Bucks Fizz, crepes, pain au chocolate, croissants and home made preserves and for Christmas Dinner we offer a wonderful 4 course menu comprising

A starter of either homemade vegetable soup, goat's cheese or grapefruit
A choice of vegetarian or fish main course, plus seasonal vegetables from the local Farmer's Market including roast potatoes and home made chutneys
A selection of local cheeses
Traditional Christmas Pudding, Mince Pies and Cream or a surprise dessert

An evening Boxing Day Dinner is optional. We use the freshest of ingredients from local markets and endeavour to use organic produce when at all possible.

The Christmas Break is from Sunday 24th December until the morning of Wednesday 27th December 2006. We have a very comfortable en-suite double room La Chambre Flora available full of original features and objet'art. The cost is 250 euros for La Chambre Flora – including Breakfasts and Christmas Dinner (excluding drinks). A supplement for a third person in Flora re Christmas Dinner of 20 euros will be charged if applicable.

This is a wonderful opportunity to spend Christmas in a stunningly beautiful location and do something different rather than watch the television. Walks through the surrounding scenic location can be arranged if desired.
